Terms and Conditions

Please read the terms and conditions on the bottom and reverse of this form carefully before returning to us as they contain important information regarding your rights and obligations. Receipt by CITO of an application form will be regarded as acceptance of these terms and conditions.

Bookings will not be confirmed on any course until minimum numbers are reached. Due to the commitment made by SkillsActive to the training provider and delegates attending courses, cancellations made less than 6 weeks before the start of the course by delegates including those of the host centre will not be entitled to any return of course fees, and will still be liable to payment of any invoices that may be issued relating to places held, unless places can be subsequently filled. Fees relate to the number of places booked – specific delegates may be changed where necessary.

Course cost includes training, course materials, refreshments during the training day, assessment and certification. Accommodation and other travel and subsistence is not included.
